Dear Mr. Spading,

Congratulations! The National Trust for Historic Preservation is pleased to inform you that the Kasson Alliance for REstoration (KARE) application for a grant from the Sweatt Endowed Preservation Services Fund has been tentatively approved, pending National Trust approval of a consultant for the project. We have allocated \$2,500.00 to match local funds to support the costs to hire a consultant for a reuse study of the 1918 Kasson Public School.

Once we have approved your selected consultant, we will send you a final contract outlining the terms of the grant, which you must sign and return to our office. If you need assistance or direction in selecting a consultant for your project, please contact Christina Morris, Minnesota Field Representative, at tel. (312) 939-5547 x 37321.

We are pleased to have the opportunity to assist your historic preservation efforts. Please do not hesitate to contact our office should you wish to discuss the consultant selection process or feel we might be of further assistance. We look forward to hearing from you soon.

Sincerely,

Royce A. Yeater, AIA
